

A message for providers

Healthy Rewards Program

Summit Community Care shares your commitment to your patients' health and well-being. To do so, we implemented Healthy Rewards, an easily accessible incentive program designed to help your patients stay on track with their health care visits.

It's simple. Every time your patient completes one of the qualifying healthy activities, they get dollars added to their reloadable Healthy Rewards debit card:

- For prenatal visits – \$25
- For postpartum visits – \$50

Healthy Rewards dollars can be used at the following approved retailers:

- CVS®
- Dollar General®
- Family Dollar®
- NationsOTC®
- Walgreens®
- Walmart®

Members may use these funds to purchase approved items including baby care items and more.

Help ensure your patients are receiving these rewards by:

- Scheduling initial obstetric visits within the first trimester or 42 days of enrollment with Summit Community Care.
- Completing the patient's postpartum checkup 7-84 days after delivery. If your patient had a C-section, their one- to two-week postoperative visit does not count as a postpartum visit.
- Encouraging your patients to track their visits.

Here's how patients report their activities:

1. Log in to <https://www.summitcommunitycare.com/HealthyRewards>.
2. Call Healthy Rewards at 1-877-868-2004 Monday-Thursday from 8 a.m.-7 p.m. and Friday from 8 a.m.-6 p.m. Central time.

If you would like more information on the Healthy Rewards program or our high-risk obstetric case management program, call Provider Services at 1-844-462-0022.
