

## Third-Party Bypass List for Medicare

In most instances, when submitting claims where third-party liability (TPL) exists, care providers must adhere to the coordination of benefits guidelines which require submission of claims to Medicare prior to submission to Summit Community Care as a secondary payer.

However, for eligible members with dual Medicare and Medicaid coverage, Summit Community Care maintains a Medicare *Third-Party Bypass List* that identifies service codes and specialties for which no TPL information will be required.

The Medicare *Third-Party Bypass List* below is effective as of February 1, 2024. Note that Summit Community Care may retroactively review these services. Therefore, providers must maintain TPL information.

Description	Code type	Code
<b>Adult Day Health Services — Medical</b>	Specialty	S003
<b>Adult Day Care — Social</b>	Specialty	S027
