

Supplemental support rate change

Summit Community Care is committed to providing the necessary care of our members. After reviewing feedback from our providers, we are increasing rates for certain supplemental support services during the COVID-19 emergency. This rate increase will retroactively apply to dates of service beginning April 1, 2020, and will remain in effect until the governor declares the end of the public health emergency in Arkansas.

Procedure code	Modifier 1	Previous rate	New rate
T2020	U1	\$9.60	\$10.75
T2020	U2	\$9.60	\$10.75
T2020	U3	\$16	\$19
T2020	UB	\$22.50	\$26
H2019	UB	\$22.50	\$26

The system configuration for these new rates will be completed by June 1, 2020 . Claims submitted before this day with service dates on or after April 1, 2020, will be reprocessed. There is no need to rebill.

If you have questions regarding this communication, please contact your local Provider Relations representative.
