

Pharmacy Hot Tip: Migraine Relief

Your Summit Community Care patients on nonpreferred products may experience a pharmacy claim rejection. To avoid additional steps or delays at the pharmacy, consider prescribing preferred products whenever possible. Prior authorization may apply to select preferred products. Coverage should be verified by reviewing the *Preferred Drug List (PDL)* on the Summit Community Care provider website at <https://arkansas.magellanrx.com/provider/docs/rxinfo/PDL.pdf>. The *PDL* is subject to change quarterly.
