

UPDATE: Additional ADDT/EIDT payments — COVID program expansion

On June 30, 2020, Summit Community Care announced and additional \$15 per member, per provider, per day for ADDT/EIDT programs.

Currently our system is automatically paying an additional \$15 per day for **dates of service** beginning April 1, 2020 through August 31, 2020, utilizing the following codes and modifiers:

Code	Modifiers	Usage
T1015	U6 UA	ADDT
T1015	U6 UB	EIDT age 0 to 6
T1015	U6 UC	EIDT age 6 to 21

Effective for dates of service on or after September 1, 2020, we are aligning with the recently published state methodology. This rate and methodology will continue until the governor declares the end of the public health emergency.

During that time, if a child or an adult attends an EIDT/ADDT clinic, in addition to the routine ADDT/EIDT services, for each day of service, providers may bill one 15-minute unit encounter for \$15, Place of Service (49), per beneficiary Monday to Friday using the code/modifier combinations below. Providers may bill for this additional one 15-minute unit using a separate claim line for each day of service, or providers may span bill for the additional service by applying the applicable number of units and charges (for example, if a provider renders five days of ADDT services), provider may submit a single claim line for this additional service using the codes below and include five units and \$75 in charges.

Please note that due to the updated AR Medicaid fee schedule, the policy change from Summit Community Care prior notice is that the U1 modifier will be required on all claims when billing for the additional \$15/day for dates of service September 1, 2020, or beyond.

Code	Modifiers	Usage
T1015	U6 UA U1	ADDT
T1015	U6 UB U1	EIDT age 0 to 6
T1015	U6 UC U1	EIDT age 6 to 21
