

Care Provider Training Opportunity

Arkansas | Medicaid

You are invited: HEDIS, documentation, and coding education

You are invited to our webinars for network providers, coders, billers, and office staff. Earn a continuing education credit for each webinar!

Upcoming topics include:

- Improving the patient experience
- E/M, medical necessity, and denial prevention
- EHR accuracy that improves quality and risk scores
- Intersection of chronic conditions and healthy nutrition
- Optimizing follow-up care through HEDIS® measures

Register with a smartphone or device. Use the following methods to register:

- Access the events website:
<https://attend.webex.com/webappng/sites/attend/webinar/webinarSeries/register/0bd9adcc3985440b948bc6e1fe8288da>
- Capture the QR code below to access the training page:

Additional resources are available to providers: [AR Summit Community Care Provider Website](#)
