

## Discover what’s ahead in 2026: long-term services and supports (LTSS) training calendar

We are excited to share two engagement opportunities — virtual office hours and training webinars

- Office hours: Monthly sessions, one for personal care and home health providers and another for CES Waiver, ADDT, EIDT, and ICF providers, where providers can ask questions and solicit feedback.
- Webinars: Structured virtual training that covers various topics to prepare and educate providers each month.
- All times below are Central Standard Time.

### Questions?

If you have questions or need assistance joining a webinar, email your assigned provider representative or [jessica.walker@summitcommunitycare.com](mailto:jessica.walker@summitcommunitycare.com).
