

Look what is new in Provider Pathways

Summit Community Care is pleased to announce the addition of a new, self-paced, e-learning training module to our Provider Pathways web page. Provider Pathways is a 24/7 digital repository, providing the key tools and resources needed for successfully doing business with Summit Community Care.

Locating Provider Pathways

Provider Pathways – Doing business with Summit Community Care eLearning can be accessed on our provider website:

- Go to **<https://provider.summitcommunitycare.com>**.
- Under *Resources* in the top navigation bar, select **Training Academy**.
- Once on the *Training Academy* page, scroll down to *Training and tutorials*, and go to **Provider Pathways**.

You will find the new modules in the table of contents shortly after you start the training.

The newest training module is:

- **CAHPS®** – Find out what the Consumer Assessment of Healthcare Providers and Systems survey is and how it impacts you.

CAHPS® is a registered trademark of the Agency for Healthcare Research and Quality (AHRQ).
