Register today: Exploring the intersection of race and disability

Forum hosted by Summit Community Care and Motivo.*

Summit Community Care is committed to making healthcare simpler and reducing health disparities. Open discussion about the disability experience for people of color and reducing implicit bias for those in healthcare is critical to improving the health and well-being of the communities in which we live and serve — all Americans.

Join us to hear from a diverse panel of experienced professionals from Motivo and Summit Community Care. This forum will explore ways we can advance equity in healthcare, demonstrate cultural humility, address, and deconstruct bias, have difficult and productive conversations, learn about valuable resources, and increase the diversity of the healthcare profession.

Date and time: Wednesday, June 22, 2022, from 3 to 4:30 p.m. CT.
