## **Welcome to Summit Community Care!**

Summit Community Care is a Provider-Led Arkansas Shared Savings Entity (PASSE). We work with the Arkansas Medicaid program to help you get services and supports you need. At Summit Community Care, our main job is to help you keep track of your healthcare and maintain your independence. This is called care coordination. You'll be paired with a care coordinator who will work with you, the people you choose to involve in your care, your doctors, and other providers to help you get the services and support you need to live healthy. Your care coordinator:

- Has training and experience in helping individuals with behavioral health needs or developmental disabilities.
- Will help coordinate all your healthcare and other social services that may impact your health. Part of coordinating your care is helping you gain access to the providers you need.

## **This book lists the providers we work with**

This directory lists the doctors and other providers who work with Summit Community Care. This is called a **provider network**.

If you need help finding a provider, you and your care coordinator can use our provider network list to choose the doctors and other providers who will give you the services on your care plan, such as:

- Primary care (well care and sick visits).
- Hospital stays.
- Services and supports for people with intellectual or developmental disabilities.
- Behavioral healthcare.
- Substance use treatment.
- Prescriptions.

## **Don't see your doctor in this list?**

Doctors join our network every day. To get the latest list of doctors we work with, visit **summitcommunitycare.com**.

Use our **Find a Doctor** tool or provider directory to find doctors near you. If you need help, call us toll free at **844-405-4295** (TTY **711**).

If you don't see your doctor listed, and you need a list of doctors who take Medicaid:

- Call the ConnectCare help line at **800-275-1131** (TTY **800-285-1131**).
- Check the DHS website at **<https://tinyurl.com/armedicaid-provider-search>**.
- Visit your county DHS office.

### **Out-of-network providers**

If you choose a provider who is enrolled in Arkansas Medicaid, but has not joined our plan:

- Prior approval will be required unless you have an emergency medical condition.
- The cost for services will not be more than it would be if services were furnished by providers in our plan.

### **Providers who may choose not to perform certain services**

We also want to make you aware that some providers may choose not to perform certain services because of moral or religious beliefs.

If you seek a covered service a plan provider chooses not to perform, you have the right to switch to a new PASSE for cause.

To request a transition to another PASSE, contact the Arkansas Department of Human Services, Beneficiary Support Center:

- Phone number: **833-402-0672**

### **Your benefits**

Some services can help you reach goals for employment, school, or other areas of your life you may want to work on too.

## ¡Le damos la bienvenida a Summit Community Care!

Summit Community Care es una entidad de ahorros compartidos de Arkansas dirigida por proveedores (Provider-Led Arkansas Shared Savings Entity, PASSE). Trabajamos con el programa de Arkansas Medicaid para ayudarle a recibir los servicios y el apoyo que necesita. En Summit Community Care, nuestro principal objetivo es ayudarle a llevar un registro de su atención de la salud y mantener su independencia. Esto se llama coordinación de la atención. Se le asignará un coordinador de la atención que trabajará con usted, las personas que usted elija para que se involucren en su atención, sus doctores y otros proveedores para ayudarle a acceder a los servicios y a la asistencia que necesita para tener una vida saludable. Su coordinador de la atención:

- Tiene experiencia y está capacitado para ayudar a personas con necesidades de salud del comportamiento o discapacidades del desarrollo.
- Ayudará a coordinar toda su atención médica y otros servicios sociales que puedan tener un impacto en su salud.

Una parte de coordinar su atención implica ayudarle a tener acceso a los proveedores que necesita.

## Este manual menciona los proveedores con los que trabajamos

Este directorio menciona los médicos y otros proveedores que trabajan con Summit Community Care. Esto se conoce como **red de proveedores**.

Si necesita ayuda para encontrar un proveedor, usted y su coordinador de la atención pueden usar nuestra lista de la red de proveedores para elegir a los médicos y otros proveedores que le brindarán los servicios de su plan de salud, como por ejemplo:

- Atención primaria (visitas de bienestar y por enfermedad).
- Hospitalizaciones.
- Servicios y asistencia para personas con discapacidad intelectual o del desarrollo.
- Atención de la salud del comportamiento.
- Tratamiento para abuso de sustancias.
- Recetas.

## ¿No ve a su médico en esta lista?

- Llame a la Línea de Ayuda de ConnectCare al **800-275-1131** (TTY **800-285-1131**).
- Visite el DHS sitio web en **<https://tinyurl.com/armedicaid-provider-search>**.
- Visite la oficina de DHS de su condado.

### **Proveedores fuera de la red**

Si elige a un proveedor que está inscrito en Medicaid de Arkansas, pero que no se ha unido a nuestro plan:

- Se requerirá una aprobación previa a menos que usted tenga una afección médica de emergencia.
- Los costos de los servicios no superarán los costos que pagaría si los servicios fueran prestados por proveedores de nuestro plan.

### **Proveedores que pueden optar por no realizar ciertos servicios**

También queremos informarle que algunos proveedores pueden optar por no realizar ciertos servicios debido a sus valores morales o creencias religiosas.

Si busca un servicio cubierto que un proveedor no desea realizar, tiene derecho a cambiar a una nueva PASSE con causa.
